Travel documents

When traveling abroad, always remember to carry the following documents:

- Your passport, valid for at least six months from the day you enter the country (with at least two full blank pages)
- Your valid visa. or travel permit (if required)
- Your Yellow Fever vaccination certificate (if required)
- Accommodation confirmation
- A copy of your return flight ticket
- A copy of your travel insurance

Please double-check transit, arrival and return requirements before your trip.

Printing the relevant documents is a good option, as well as keeping digital copies downloaded and available offline on your phone to have them ready for transit and/or arrival procedures.
